**INSTRUCTIONS FOR A CHANGE TO  
FORM B REGISTRATION STATEMENT**

---

In the manner consistent with annual and amendment Form B filings, identify the Item Number(s) and present full disclosure statements to supercede previous disclosure statements and fully describe and identify exhibits being submitted with the Change filing. A Change filing differs from an Amendment filing in that it serves to correct incomplete or incorrect disclosure statements or exhibits within a previously filed Form B while an Amendment serves to disclose actual events of material changes that have occurred since the previous Annual Form B filing. As required for all insurance holding company system registration filings, Change filings shall include the Signature and Certification page (see below for sample).
