In the Matter of)
ADOPTION OF ORDER RELATING TO)
RECOGNIZED SURPLUS LINES)
_____)

Docket No. 4065
ORDER

THIS MATTER was heard on the 8th day of February, 1984, at which testimony was presented as well as other matters of which the Director may take notice. The Director finds that the list of recognized surplus lines adopted on June 29, 1982 should be amended to include difference in conditions on dwelling and homeowners policies and liquor liability.

The Director also finds that the recognition of any surplus line is not an approval of any program or policy which may be offered in the state. It is expected that the surplus line business in this state will be transacted consistent with the laws pertaining thereto.

IT IS THEREFORE ORDERED:
