RE: 2015 - "ARIZONA ANNUAL HEALTH PLANS SURVEY"

Dear Sir or Madam:

The Arizona Department of Insurance is compiling its Annual Market Analysis Surveys. Please provide the total number of "in force" individual and group coverage products. The term "in force" for individual coverage products refers to the total number of individual policies or contracts plus dependents in effect at the end of the year 2015 (December 31, 2015). The "in force" data for group coverage products should reflect the total number of group policies, certificate holders, and Arizona lives including the certificate holder plus dependents issued under these policies as of December 31, 2015.

You must report the appropriate number of grandfathered policies as defined at http://www.cms.gov/CCIIO/Resources/Files/factsheet_grandfather_amendment.html. You may refer to the http://www.naic.org/documents/industry_pcm_lahac.pdf website for the Types of Insurance (TOIs) categories.

The survey can be found on the Department's web page at <https://insurance.az.gov>, in the Insurers tab then select "Life & Health Rates, Forms & Compliance", and then click on the "Health Plans Survey (Annual)" link. You may email the completed survey to the ADOI at marketconduct@azinsurance.gov. The data gathered from this survey is used for consumer brochures, market analysis, and complaint analysis. The data that you supply may be made public. Your company's response is due on or before March 1, 2016.

If you have any questions, please do not hesitate to contact Cheryl Hawley at (602) 364-4994 or e-mail at chawley@azinsurance.gov.

Sincerely,

Maria G. Ailor, AIE, AMCM
