

INSURANCE EXAMINATION PREPARATION RESOURCES

As a first step, you should obtain the **Licensing Information Bulletin** from Prometric at 800-853-5448 or at www.prometric.com/arizona. The bulletin provides information you need to know about the examination process and lists topics (including references to statutes and rules) you need to learn in order to pass an insurance examination.

Arizona statutes (laws) and administrative code (rules) are available at no charge over the Internet.

- **Laws** (Title 20, Arizona Revised Statutes) are available at www.azleg.gov (select the **Legislative Council** menu option)
- **Rules** (Title 20, Chapter 6, Arizona Administrative Code) are available at www.azsos.gov (select the **Publications > Administrative Code/Register** menu option).

The Department of Insurance does not provide study materials, cannot recommend any supplier for study materials and does not evaluate the quality of any training course or study material. The following businesses told us they may have training or study materials that you can purchase:
