

FINGERPRINTING SERVICES

Fingerprints you submit to the Arizona Department of Insurance *must...*

- Be applied on FBI Form FD-258 — a blue-outlined, matte-finish card.
- Be applied by a qualified fingerprinting technician. *Please note the following:*
 - The Department of Insurance does not regulate fingerprint card technicians and **does not promise that a technician on the following list will provide a fingerprint card that the FBI can read.** You are solely responsible for furnishing a fingerprint card that the FBI can read. If the FBI cannot read your

fingerprint card, you will have to submit another fingerprint card. Most fingerprinting technicians charge a fee to apply your fingerprints to a fingerprint card. In addition, you will have to pay the Arizona Department of Insurance a separate fee to have the FBI process your prints.

- **Before visiting a fingerprinting technician**, you should contact them to inquire about their fees, hours, and restrictions, any documents you may need to bring with you, and to schedule an appointment.
