A Message from the Director of Insurance

Governor Brewer and Members of the Arizona Legislature:

I am pleased to provide this *2009/2010 Annual Report of the Arizona Department of Insurance (ADOI)*. Financial solvency and consumer protection are the hallmark responsibilities of the Department of Insurance. In calendar year 2009, the ADOI responded to over 5,000 insurance complaints and helped Arizona consumers resolve insurance company disputes and recover over \$5 million in claim settlements and insurance transaction refunds.

The insurance industry is a large and integral part of Arizona's economy that provides thousands of jobs, generates hundreds of millions in premium taxes, contributes to research that improves the safety of our citizens, and delivers valuable services that keep businesses operating when a loss occurs. ADOI monitors the financial health of this vital industry to ensure that our insurance companies remain viable and financially solvent.

In 2009, the 1,841 insurance companies licensed in Arizona collectively wrote nearly \$25 *billion* in premium. ADOI regulates this industry with an increasingly modest budget that translates to approximately \$.80 cents per \$1,000 in premium written in Arizona. ADOI supports the economic development of the Arizona insurance industry by ensuring "speed to market" access of new insurance products and encouraging competition among insurers.

ADOI collects insurer fee and assessment revenues that reimburse the General Fund for the amount of its appropriation. In calendar year 2009, the ADOI collected and remitted over \$405 million in insurance premium tax revenues to the General Fund, and over \$30 million to fire fighter and public safety retirement funds.

A balanced approach to insurance regulation compels all insurance market stakeholders to work together to further our mutual goals: protect the interests of Arizona insurance consumers, while fostering the ethical and economic success of the insurance businesses in our state.

My sincere gratitude goes to Department staff for another year of commendable service to Arizona's insurance community.

Sincerely,

A handwritten signature in black ink, appearing to read 'Christina Urias'.

Christina Urias
Director of Insurance

CONSUMER AFFAIRS DIVISION

Mary Butterfield.....Assistant Director
Catherine O'Neil..... Ombudsperson
Mary Kitterman Market Assistance Manager
Lorraine McCormack.....Health Care Appeals Manager

The mission of the Consumer Affairs Division is to assist, inform and protect Arizona insurance consumers. The Division is comprised of the Consumer Services and Health Care Appeals Sections. The Division provides a full range of consumer information and assistance in response to written, telephonic and walk-in requests, ranging from one-on-one assistance to individuals and businesses, to providing informative publications such as premium comparisons and insurer complaint ratios. The Division also assists with insurance-related education and outreach and helps Arizona businesses locate difficult to find liability insurance.

The Division received, investigated and responded to phone requests, e-mails and formal complaints from the Governor on behalf of her constituents on a wide range of insurance issues. Among other things, constituents needed assistance in getting immediate access to health care, staving off collections of unpaid medical bills that should have been paid by their health insurer, and resolving auto insurance claims. In other cases, constituents needed explanations of various insurance laws including the new federal Patient Protection and Affordable Care Act (PPACA). Many inquires relate to laws applicable to long-term care insurance, insurers' ability to use credit in rating and underwriting auto and home insurance, and requirements governing insurers' investigation and settlement of insurance claims.

Enactment of the PPACA requires us to monitor federal laws and conduct research to provide training to our staff to enable them to respond to the many additional calls and inquiries from consumers and other interested parties. Training is ongoing because while some of the new laws were effective March 23, 2010, other laws and regulations become effective between now and 2014.

The Division also assisted federal and state elected officials with responses to insurance questions from their constituents. The level of assistance provided depends upon the nature of the request. Our range of responses included verbal explanations to the elected official or staff on general insurance issues with a specific response to the consumer's questions, review of the regulatory and statutory issues with a written explanations of our findings, and full blown investigations with written responses to the elected officials and/or their constituents.

Consumer Affairs Highlights for Fiscal Year 2010

- ◆ *Assisted in settlements and recoveries for Arizona consumers totaling \$5,108,134*
- ◆ *Answered 32,685 telephone inquiries*
- ◆ *Processed 5333 written complaints*
- ◆ *Assisted 389 consumers in person at the Department*
- ◆ *Assisted 182 consumers in finding difficult-to-place commercial liability insurance coverage.*

Consumer Services Section

The Consumer Services Section is the insurance consumer's main point of contact with the Department. Consumer Services personnel provide critical assistance to Arizona's insurance consumers. They receive, investigate and resolve complaints and must be well versed in every

kind of insurance including all state and federal programs such as AHCCCS and Medicare. Complaints and inquiries may be about life insurance, annuities and disability as well as health insurance provided by HMOs and PPOs and various types of dental and vision plans. Complaints about automobile, homeowners, title insurance, property, worker's compensation, surplus lines and various types of commercial and liability insurance are also handled by the staff. Division personnel responded to over 32,685 phone calls, personally met with 389 members of the public, and handled 5,333 written complaints and requests for information and assistance regarding insurance-related problems. In fiscal year 2010, the Division assisted consumers in recovering more than \$5 million from insurance companies.

The Division continues to feel the effects of the budget reductions of 2009 when we eliminated 10 positions in the Consumer Affairs Division, which included closing our Tucson office. We also reduced our phone service hours.

Each staff person now has an average caseload of 250 complaints and this necessarily increased complaint processing time. Regrettably, this means Arizona consumers must wait longer to receive their complaint resolution (an average of 5 to 6 months for written complaints), which may include premium refunds, claim payments or reinstatement of essential insurance policies.

The Division also receives complaints from individuals covered by various Medicare programs and Medicare related insurance products. Both federal and state laws must be considered in resolving these complaints. The ADOI, along with the insurance departments of most other states, has a Memorandum of Understanding (MOU) with the federal Centers for Medicare & Medicaid Services (CMS). The MOU permits the sharing of information related to the financial status and complaints about health insurers that contract with CMS as well as the individuals who solicit and market health plans to Medicare beneficiaries in Arizona. ADOI has forwarded CMS information about 75 complaints against Medicare health plans during FY 2010. CMS sends the Department information about agents and sales representatives who market Medicare related products to Arizona residents.

The Health Care Appeals Section administers Arizona's health care appeals law which requires all health insurers to have a multi-tiered process in place through which consumers may appeal insurer claim denials or denials of services, either on an expedited or standard basis.

Health Care Appeals Section

The Health Care Appeals Section administers the 1997 legislation which created a uniform process for Arizona health insurance consumers to appeal insurer claim denials¹ or requests for services². The appeal process affords the insured an unbiased, independent, external level of review administered by the Department.

In general, the health care appeals law³ provides a three-tiered process for insured members to contest denied claims or requests for service. Most appeals follow the standard appeals track, although the law provides an expedited track mirroring the standard process except for significantly reduced time frames

Exemptions to Arizona's Health Care Appeals Law

- Federal plans
- Workers' Compensation policies
- Self-funded employee benefit plans
- Fixed benefit plans (when benefit is based on the "health status of the insured")
- Long Term Care policies
- Medicare Supplement policies

| | <u>Standard Process</u> | <u>Expedited Process</u> |
|---------|-----------------------------|---------------------------------------|
| Level 1 | Informal Reconsideration | Expedited Medical Review |
| Level 2 | Formal Appeal | Expedited Appeal |
| Level 3 | External Independent Review | Expedited External Independent Review |

at each level. To be eligible for an expedited appeal, the insured member's treating provider must submit a written certification and supporting medical documentation indicating that the time required for the standard process "is likely to cause a significant negative change" in the medical condition at issue in the appeal.

The insured member must exhaust the insurer's internal appeal steps (usually both levels one and two) before requesting external independent review; however, an insurer may choose to accelerate a case to external review at any of the internal levels. The last level of this process allows for a review that is external and independent of the health insurer. Once again, there are two distinct tracks that an external review can follow. If the case concerns a denial arising from a coverage or contractual issue, the Department makes the independent determination. The non-prevailing party may then appeal to the Office of Administrative Hearings, although the Department is not a participant at the hearing.

Who can request an appeal?

- The insured member
- The member's treating provider
- Parent, if a minor
- Legal guardian
- Person authorized to make decisions by a power of attorney

If the case involves a medical necessity issue, an independent medical review organization makes the final determination. The Department contracts with several independent review organizations (IROs) through the state procurement process. For each medical case, the Department selects a reviewer from its list of IROs, sends the case to the selected IRO who completes its medical review and sends its recommended decision back to the Department for final written determination. The health care insurer

¹ A denied "claim" occurs when a person has already received care, submitted a claim for payment, and the insurer refuses to pay all or any portion of the claim.

² A denial of "service" occurs when a person has requested a health care service or a referral to a specialist and the insurer refuses to pre-authorize the service. Thus, the desired service has not yet been rendered at the time of the appeal.

³ A.R.S. §§20-2530 through 20-2541.

has no direct relationship or contact with the IRO at any time during the independent review process. The Department bills the insurer for the cost of the medical review and maintains a revolving fund to pay the IRO fees on a case by case basis. This final medical determination is subject to judicial review, and cannot be appealed to the Office of Administrative Hearings.

Only appeals taken to the third level come to the Department for external review. The external review component of this mandated process provides Arizona health insurance consumers with a valuable, user friendly dispute resolution mechanism that is expeditious and inexpensive. A significant number of appeals are overturned by the insurer during the first two levels of appeal.

Licensing

Steven Fromholtz..... Insurance Licensing Administrator

Our mission in the Licensing Section is to provide efficient, effective and quality insurance licensing services to producers and other insurance-related service providers. We ensure that insurance license candidates meet all qualifications before issuing or renewing a license. We review and analyze applications for professional-services licensure, maintain and access agency-specific and national licensing databases, obtain criminal history information on certain applicants, maintain electronic and physical license files, and administer contracts for pre-license examination services and for continuing education provider and course certification.

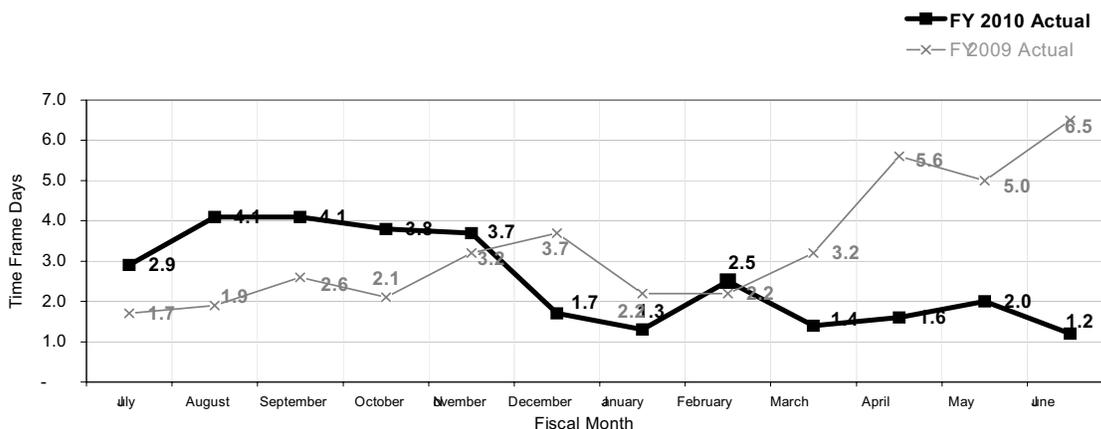

Licensing Section Performance

Although the professional services licensing population grew by 2.3% during Fiscal Year 2010¹, we continued to operate efficiently, reviewing license and renewal applications in an average of only 2.6 licensing time frame days².

The following charts illustrate our licensing cycle time and application processing workload during the last two fiscal years on a monthly basis.

License Application Cycle Time

Average time frame days² from date application is received to date license decision is rendered for license decisions rendered during the month.

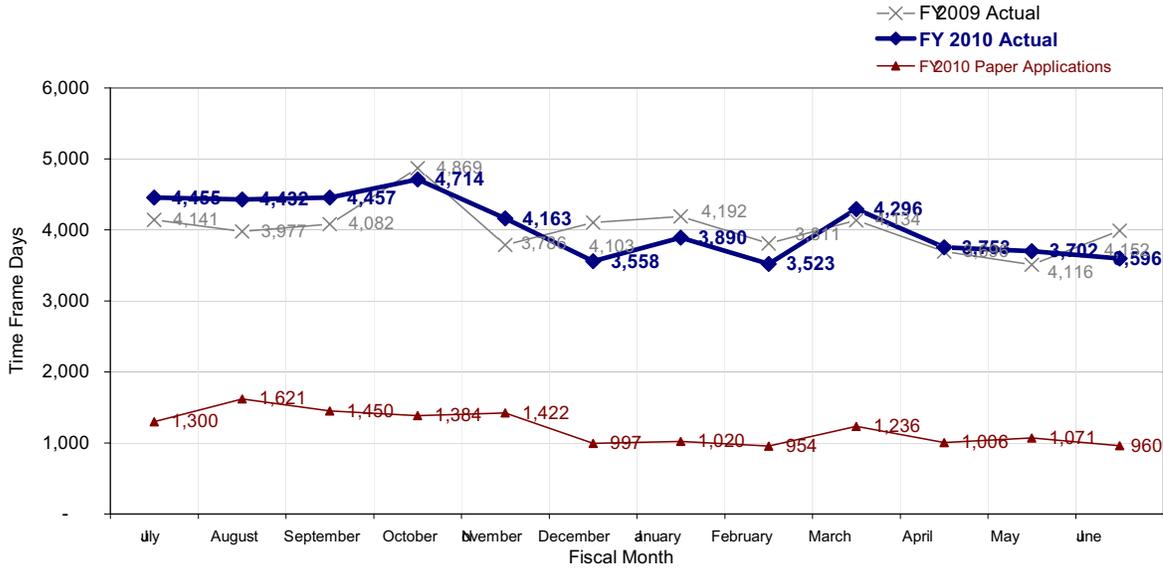

¹ From 159,593 at June 30, 2009, to 163,199 at June 30, 2010.

² "Licensing time frame days" are the "overall time frame" days, as defined in A.R.S. §41-1072(2), minus the days that the overall time frame is suspended in accordance with A.R.S. § 41-1074(B)

Total number of license and renewal applications processed each month

Electronic Licensing.

IPLUS, the Insurance Professional License Update System, remains extremely successful. IPLUS processed 67% of license renewals during FY2010, allowing us to focus on more substantive responsibilities and is helping us weather a period of reduced staffing amidst statewide economic and budget concerns. From the IPLUS Web site (<http://plus.azinsurance.gov>), insurance professionals can update address and telephone number information and, in many cases, can renew licenses. IPLUS automatically updates the Department's database information, immediately reflecting on the insurance professional's license record over the Internet.

IPLUS customers are overwhelmingly satisfied. In customer responses to IPLUS satisfaction surveys administered during FY2010...

97.1% say that IPLUS is easy to use.

96.4% say they would recommend IPLUS to others.

88.4% say they are very satisfied with IPLUS.

For insurance professionals, using IPLUS is faster and easier than submitting paper documents to us. Insurance companies and the public benefit from information that is updated immediately, without delays that might otherwise occur because of workload backlogs here at the Department.

In addition to renewal applications from IPLUS, we receive license applications electronically from the National Insurance Producer Registry (NPR).

Vtually all applicants who are resident s of other states are able to use **NIPR's Electronic Non-resident Licensing ("ENRL") system** to immediately obtain an Arizona non-resident license on the basis of being licensed in good standing in their home state and in the absence of any administrative action that we would consider grounds to deny the license. During FY2010, the **ENL** system automatically processed 17,052 license applications in minutes.

After passing required insurance examinations (at a Prometric testing center), applicants who are residents of Arizona can submit their license applications through **NIPR's Electronic Resident Licensing ("ERL") system**. Arizona residents usually must also submit fingerprints, supply evidence of license eligibility and meet other requirements that cannot be satisfied online. The **ERL** system processes an applicant's license fees and licensee data automatically. We match the applicant's physical documents to the electronic application and promptly issue a license. During FY 2010, **ERL** helped us process 886 license applications in an average of less than one day from the date we received the applicant's physical documents.

We reorganized the **PRODORS** page of our Internet web site to make it easier for insurance professionals to find information they need to fulfill licensing requirements. We also improved the **LICENSERARCH** function to provide more information concerning insurance professionals and insurance companies.

We began sending license renewal notices by e-mail to last-reported e-mail addresses (in addition to sending paper notices to the last-reported mailing addresses) between 60 and 90 days prior to license expiration dates.

Licensing Highlights for Fiscal Year 2010

- ◆ *Processed 24,386 new license applications, an 6.5% decrease from the prior fiscal year.*

FINANCIAL AFFAIRS DIVISION

Steve Ferguson..... Assistant Director
Kurt Regner..... Chief Financial Analyst
Stephanie Lefkowskl..... Captive Chief Analyst
David Lee..... Chief Financial Examiner
Kelly Stephens..... Compliance Section Manager

The mission of the Financial Affairs Division is to identify licensed insurers engaged in unsound financial practices and to require those companies to take corrective actions that bring them into compliance with regulatory standards. License applications are reviewed by the Division to ensure that certificates of authority are issued only to those insurers in sound financial condition. In fulfilling this mission, the Division analyzes periodic financial filings for quantitative and qualitative information, obtains data from other regulatory and public sources and conducts formal on-site financial examinations. Required filings include annual and quarterly financial statements, annual holding company registration statements and audited financial reports. If the Division identifies deficiencies from analysis of available information, the insurer may be required to prepare and implement corrective action plans and/or appropriate enforcement action may be taken. The Division also reviews and must approve the acquisition, merger or withdrawal of an insurer and certain transactions between an insurer and affiliated entities.

In conducting the financial oversight of insurers, the Division is subject to standards for effective financial regulation promulgated through the National Association of Insurance Commissioners (NAIC). The NAIC accredited the Department as compliant with NAIC standards in 2008 and requires annual interim accreditation reports in addition to a full accreditation review every five (5) years. Assistant Director, Steve Ferguson, leads the Division, organized into four sections, the (1) Financial Surveillance Section, (2) Examinations Section, (3) Captive Insurer Analysis Section and (4) Compliance Section.

Financial Surveillance Section

The Financial Surveillance Section conducts ongoing analysis of mandatory financial filings by traditional domestic and foreign insurers. The Section's continuous insurer surveillance results in early detection of financial deficiencies and other operating difficulties which could potentially lead to insolvencies. Financial analysts utilize sophisticated analysis tools to extract and review financial data from NAIC databases. When an analyst detects financial deficiencies, they recommend appropriate corrective actions and assist Division management in its enforcement activities. The Division must report the most serious insurer financial conditions to other state insurance departments and the NAIC.

Financial Surveillance staff must also review traditional domestic and foreign insurer applications for new and amended certificates of authority and provide recommendations for approval on certain domestic insurer transactions.

Captive Insurer Analysis Section

The Captive Insurer Analysis Section is responsible for the ongoing analysis of financial filings of domestic captive insurers. Responsibilities and procedures are similar to those of the Financial Surveillance Section and provide early detection of financial deficiencies and operating difficulties.

Examinations Section

The Examinations Section is responsible for the performance of periodic on-site full-scope financial examinations of domestic traditional and captive insurers. The Examination Section also performs limited scope examinations when the Financial Surveillance Section identifies concerns regarding specific financial conditions or operations of an insurer. The purpose of an examination is to confirm the financial position of a licensed company and its compliance

with statutory financial solvency requirements. The information obtained through the examination assists the Financial Surveillance Section and Division management in its ongoing oversight and enforcement responsibilities. The Department may initiate an examination any time a significant weakness or deficiency is identified. Arizona law requires the Department to conduct a financial examination of each domestic company at least once every five (5) years.

Compliance Section

The Compliance Section is responsible for premium tax collection, statutory deposit administration, maintenance of public records and general administrative support to the Division. The Section is also responsible for insurer customer support services, such as maintenance and dissemination of forms and processing of annual statutory filings.

The *Premium Tax Unit* performs tax report audits and remittance processing functions. All premium tax and annual statutory fee remittance reports are audited and may result in the assessment of additional tax, penalties and interest that the Division must collect from insurers.

The *Trust Deposits Unit* monitors and enforces compliance with trust deposit requirements comprising a \$3 billion portfolio of securities held by the Arizona State Treasurer. The unit also monitors trust deposits held in other jurisdictions that the Division relies upon for an insurer's authority to transact insurance business in Arizona.

Financial Affairs Highlights For Fiscal Year 2010

- *Licensed 19 new insurers into the Arizona insurance market.*
- *Furloughs of Financial and Examination Section staff coupled with increased financial stress on regulated insurance entities had a substantial negative impact on the Division's ability to meet NAIC timeliness standards for regulatory review and action.*

PROPERTY AND CASUALTY DIVISION

Dean EhlerAssistant Director
 Jack Sneathen.....Analyst Supervisor

The Division reviews various property and casualty insurance policies, contracts and related forms to ensure that they comply with the law and are not ambiguous, misleading or deceptive. Certain property and casualty rate filings are also reviewed for compliance. The Division monitors the market for specific selected lines of insurance by reviewing material information and by conducting surveys of insurers. Surveys are compiled, the responses analyzed, and the results evaluated to determine the level of competition and the health of the market. The Division is comprised of the Rates & Forms Section and the Registration Section.

The Rates & Forms Section

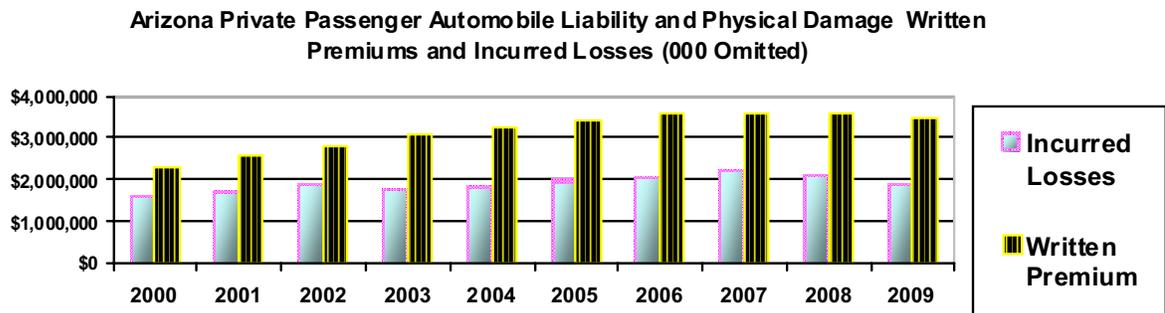

This Section is primarily responsible for administering property and casualty insurance rate and form laws. Although all major lines of insurance are closely monitored in similar fashion, information on lines of insurance highly vested with the public interest such as the homeowners (“HO”) and private passenger automobile (“PPA”) follows.

Homeowners Insurance Market: The following graph compares Arizona HO earned premium to incurred losses for the past ten years. The HO market remains profitable, and incurred losses decreased the first time in the last four years.

- Competition is intense as 121 insurers wrote \$100,000 or more in premium in 2009.
- The 2009 market is concentrated in the Top 25, with a market share of 78.91%. The Top Five insurers control 47.07% of the market.
- Most insurers (92 out of 121) will maintain their current underwriting stance in 2010.
- The incurred loss ratio decreased (47.08%, 2009; 48.51%, 2008), keeping the HO market at a profitable level.
- The market remains soft; however, rates trended upward as the weighted average rate change was 5.32% in 2009.
- Five new insurers entered the market in 2009, while one exited.

Private Passenger Automobile Insurance Market: The following graph demonstrates the dollar amount of Arizona PPA premiums written and insurers' incurred losses since 2000. Both written premiums and incurred losses decreased in 2009. This is the second decrease in PPA written premiums in the past 15 years.

- The market is highly competitive.
- The market is concentrated in the Top 25 insurers that have a 74.27% market share.
- The average policy premium in 2009 was \$1,149, down from \$1,204 in 2008.
- In 2009, only 20 insurers wrote more than 1% of the market.
- Accident frequency and severity decreased in 2009.
- There continue to be mergers and acquisitions in the PPA market resulting in a few large groups dominating the market and with smaller non-group affiliated insurers having difficulty competing with them.

During Fiscal Year 2010, the Rates and Forms Section:

- Qualified 165 surplus line insurers to transact business in Arizona.
- Produced five major consumer-information publications: two semi-annual Automobile Premium Comparisons, the Homeowners' Premium Comparison, the Mobile Homeowners' Premium Comparison, and the Renters' Premium Comparison.
- Conducted surveys of insurers to monitor marketplace competition for the following lines or types of insurance: businessowners, commercial automobile, homeowners, medical malpractice, nursing home liability, other liability, personal automobile, and surety.

Registration Section

This Section is responsible for issuing permits to service companies that contract with consumers to repair appliances or the electrical, plumbing, heating, cooling or air conditioning systems of residential property and for approving motor vehicle service contract programs to include contracts sold by an automobile dealer to service vehicles. The Section also reviews applications and registers foreign Risk Retention Groups and Risk Purchasing Groups organized in accordance with the Federal Risk Retention Act and issues licenses to Rating Organizations and Rate Service Organizations. Due to budget cuts in fiscal year 2009, personnel from the Rates and Forms Section continued to assume the responsibilities of this Section.

During Fiscal Year 2010, the Registration Section:

- Issued eight new Service Company permits.

- Registered 17 new Risk Purchasing Groups, increasing the total number of active registered Risk Purchasing Groups to 417.
- Registered five new Foreign Risk Retention Groups, bringing the total number of active registered Foreign Risk Retention Groups to 96.
- Issued one new Rate Service Organization license.

LIFE AND HEALTH DIVISION

*Alexandra Shafer Assistant Director
 Linda Beguin, DDS.....Dental Plan Manager
 Ken Schwark.....Managed Care Compliance Manager*

Rates and Forms Review

In fiscal year 2010 the Life and Health Division continued to review policy, rate and advertising forms issued by life and health insurers, health care services organizations (HMOs), non-profit service corporations and prepaid dental plans. Because budget cuts have left the Rates and Forms Manager position vacant since FY 2008, the Division continues to rely on assistance from other ADOJ divisions to complete the statutorily required review.

| Type of Filing | Position Assisting |
|--|---|
| All annuity filings | Dental Plan Manager (Life & Health) |
| Non-profit service corporation filings | Managed Care Health Insurance Analyst (Life and Health) |
| Life insurance filings | Rules Analyst (Director's Office) |
| Life insurance application filings | Admin. Services Assistant II (Business Services Division) |
| All rate revision filings | Utilization Review Analyst (Life & Health) |

In FY2010, the Life and Health Division received and reviewed 3,372 form, advertising and rate revision filings. These filings contained 23,580 forms and documents submitted for review, compared to 19,718 forms and documents in FY 2009. Insurers submitted 2,962, or 88%, of the filings electronically through the System for Electronic Rate and Form Filing (SERFF), the NAIC system used nationwide by insurance departments and insurer. The SERFF filings included 100% of the annuity forms that Life and Health received. Throughout the year, Division staff attended on-line and teleconference training on SERFF.

Health Care Insurance Oversight

Although the Managed Care Program Manager position has been vacant since February 2009, the Life & Health Division continues its oversight of medical and dental service delivery by HMOs and prepaid dental plans as well as administration of Arizona's provider timely pay and grievance law. Oversight activities include provider education, complaint resolution, corrective action enforcement, and compliance examinations in the areas of timely pay, HMO service delivery, health care appeals, and previous examination orders.

In addition, the Division reviews statutory reports that insurers file semi-annually as well as copies of provider grievances every year and uses the resulting data to target enforcement activities, as well as educate insurers and providers. In FY 2010, the Division received and analyzed 4,155 copies of provider grievances (compared to 4,947 copies in FY 2009). These grievances reflected claims disputes worth \$3,100,000.

Non-Insurer Licensing

The Division licenses third party administrators (TPAs) and utilization review agents (URAs). In FY 2010, the Division issued or renewed eight URA licenses and issued 19 new TPA licenses. As part of its regulation of Arizona TPAs, the Division collected \$45,045 in 2010 annual filing fees.

Administrative Services

The primary administrative function in Life and Health is the administrative completeness review of filings. Two administrative staff also: handle public record requests; assists public record reviewers for other divisions; directs telephone and e-mail questions; tracks filing status, filed rates, rate revisions, active companies and record retention; and monitors annual insurer reports, such as HIPPA reports.

Life and Health Highlights for Fiscal Year 2010

- ◆ *Completed compliance examinations of one HMO and one insurer.*
- ◆ *Collected \$52,826 in annual fees and late fees from 38 TPAs that had not paid annual fees in 2008 or 2009.*

- ◆ *Responded to research requests and surveys from the Council for Affordable Health Insurance and the NAIC.*
- ◆ *Timely reviewed 95% of all administratively complete form, rate and advertising filings.*

INVESTIGATIONS DIVISION

Charles J. Gregory...Investigations Supervisor

Significant staff reductions in the Division's Fraud Unit and Administrative Enforcement Section (AES) in FY2009 continue to impact productivity in FY2010. Even though we were able to re-hire one full-time investigator in June 2010, the Fraud Unit was only able to investigate 89 of the 2,496 referrals from insurers. Referrals continue to outpace the Division's current resources, so we apply strict investigation guidelines to prioritize cases with the most egregious allegations and/or the highest probability of successful resolution. While some cases occasionally attract publicity, we cannot afford to dedicate any investigative staff time to public awareness and deterrence activities.

FRAUD UNIT

The mission of the Fraud Unit is to deter, investigate and facilitate conviction for insurance fraud. Arizona statutes require insurers to refer cases to the Fraud Unit when they suspect "...a fraudulent claim has been or is being made."¹ These statutes also aid in monitoring insurer attempts to apply overly broad fraud deterrence measures that could adversely affect honest claimants.

The following table summarizes the **Fraud Unit's** performance measures for FY 2007 through FY 2010:

| Reporting Categories | FY2007 | FY2008 | FY2009 | FY2010 |
|--|-----------|-----------|---------|---------|
| Total Fraud Referrals ² Received | 2,433 | 2,163 | 2,659 | 2,496 |
| a. Referrals for Information Only ³ | 2,141 | 1,848 | 2,474 | 2,407 |
| b. Number of Cases Investigated | 291 | 315 | 185 | 89 |
| Cases Closed Without Referral for Prosecution | 214 | 293 | 244 | 30 |

| Fines Resulting from Unit Operations | 49,315 | 44,225 | 56,011 | 81,595 |
| Amount Saved by Insurers | 759,358 | 650,274 | 391,222 | 305,919 |

¹ A.R.S. § 20-466(F)

² The Fraud Unit receives referrals from insurers about claims that may be fraudulent and from reports by the public.

³ Some of these referrals are submitted for "information only" for which the insurer is not requesting that the referral be investigated. Data also includes referrals that are reviewed and found not to indicate a violation of Arizona law or do not meet our investigations guidelines at this time, due to limited resources.

ADMINISTRATIVE ENFORCEMENT SECTION (AES)

The AES investigates allegations of unauthorized insurance activity and insurance code violations by insurers, agents and other professional service licensees. AES refers apparent violations to the Arizona Attorney General's Office for appropriate enforcement action or, in some cases, enters into Consent Orders with respondents. AES shares investigative activity information with the Market Oversight Division to facilitate coordinated agency efforts.

AES opened 133 investigations, referred 19 cases for administrative action, obtained in 37 license revocations, 4 license suspensions, 13 cease & desist orders, \$55,750.00 in civil penalties, and \$1,206,915.00 in restitution.

The following highlights successes of the **Administrative Enforcement Section**:

| Reporting Categories | FY2008 | FY2009 | FY2010 |
|--|---------------|---------------|---------------|
| Investigations Opened | 157 | 191 | 133 |
| Investigations Closed | 285 | 154 | 168 |
| Cases Referred for Administrative Action | 24 | 25 | 19 |

| Restitution Resulting from Unit Operations | \$76,104 | \$491,297 | \$1,206,915 |
| Fines Resulting from Unit Operations | \$5,600 | \$13,500 | \$55,750 |

MARKET OVERSIGHT DIVISION

*Maria G. Chavira Market Analysis Supervisor
Helene I. Tomme ... Market Examinations Supervisor*

To protect Arizona insurance consumers, the Market Oversight Division (MOD) gathers and analyzes market information and examines possible violations of the insurance code by regulated entities. The Division uses a broad range of research, analysis and examination tools to evaluate insurer conduct in the market place. The coordinated use of technology, interstate cooperation and intra-agency communication enhances the effectiveness of the Division's examination efforts.

The Division monitored and examined a reduced number of insurers because of the hiring freeze and furloughs.

Market Analysis Section

The Market Analysis Section performs analytical assessment of market information which includes, but is not limited to, data collected from various reporting mechanisms; multiple NAIC tools; websites; other regulatory sources; to identify insurers with potential market conduct problems as early as possible, which permits appropriate regulatory intervention to eliminate or reduce harm to consumers. The Market Analysis Section also helps to prioritize and coordinate the various examination activities.

Market Examinations Section

The Market Examinations Section executes targeted, comprehensive and issue-specific examinations of insurers' practices based on research from the Market Analysis Section. Examinations determine insurer compliance with Departmental filings and applicable law, including the Unfair Claims Settlement Practices Act. Examinations may result in the imposition of corrective action plans, restitution and/or civil penalties. The Section also monitors compliance with corrective action plans and performs follow-up examinations. The Division cooperates and participates in multi-state examinations which can result in the imposition of fines, corrective action plans and a process for re-adjudication of claims previously denied by a company.

Market Oversight Highlights for Fiscal Year 2010

- ◆ *Initiated 13 market conduct examinations.*
- ◆ *Filed 19 market conduct examination reports.*
- ◆ *Assessed \$256,000 in civil penalties*
- ◆ *Recovered \$116,057 in restitution, including interest, for Arizona policyholders and claimants.*

ARIZONA INSURANCE GUARANTY FUNDS

Michael E. Surguine..... Executive Director

The Arizona Insurance Guaranty Funds serve as a safety net to protect insurance consumers from financial loss in the event that an authorized insurance company becomes insolvent. There are two separate guaranty funds. The Arizona Life and Disability Insurance Guaranty Fund (ALDIGF) covers life insurance, disability insurance (includes health insurance written on an indemnity basis and long term care), and individual annuities. The Arizona Property and Casualty Insurance Guaranty Fund (APCIGF) covers most traditional property and casualty lines. Each guaranty fund is comprised of the insurers authorized in Arizona to write the lines of business that guaranty fund covers. Each guaranty fund is overseen by a Board of Directors. Department staff administer the guaranty funds.

The Property and Casualty Guaranty Fund investigates, adjudicates and pays the claims of Arizona insureds and claimants and provides a defense to the insured where appropriate. The Life and Disability Guaranty Fund pays the claims of Arizona residents or provides for continued coverage under life, disability and annuity contracts. The coverage provided by each guaranty fund is subject to statutory limitations and exclusions. Each guaranty fund levies assessments on its member insurers to generate the necessary funds to meet its obligations. Upon paying a guaranty fund assessment, a member insurer receives a certificate of contribution, which entitles the insurer to a credit against its premium tax obligation to the State.

Since its inception in 1970, the Arizona Property and Casualty Insurance Guaranty Fund has paid out over \$132 million in claims.¹ Since its creation in 1977, the Arizona Life and Disability Insurance Guaranty Fund has paid out approximately \$256 million in benefits to policyholders.

Guaranty Funds Highlights for Fiscal Year 2010

- ◆ *APCIGF was activated for one new insolvency.*
- ◆ *ALDIGF was activated for one new insolvency.*

¹ This amount does not include defense costs paid and loss adjustment expenses incurred by the Guaranty Fund.

RECEIVERSHIP DIVISION

Leslie Hess..... Deputy Receiver

The mission of the Receivership Division is to maximize the ability of insolvent insurance companies to pay valid creditor claims. The Division executes the Director's duties and powers as statutory Receiver of insolvent insurers and oversees their rehabilitation or liquidation, subject to court oversight. Special deputy receivers, attorneys, accountants and other professionals administer the day-to-day affairs of the insolvent insurers' estates, including collection and liquidation of assets and distribution of assets to creditors. In addition, the Division assists Arizonans affected by insurance receiverships domiciled in other states, and works closely with the Guaranty Funds to satisfy insolvent insurers' claim obligations to Arizonans.

During FY 2010, the Division continued the administration of two domestic insurers in liquidation receivership and one foreign insurer in ancillary receivership: Premier Healthcare of Arizona, Inc., Transurance Risk Retention Group, Inc. and Reliance Insurance Company.

The Division commenced the receivership of two related captive insurance companies: Astraea Risk Retention Group, Inc. and Thureus Insurance Group, Inc. in December 2009. Both companies were part of a family of companies engaged in the trucking business. Astraea was a captive risk retention group that wrote commercial automobile liability and general liability policies. Thureus operated as a captive reinsurer for Astraea and was authorized to transact casualty and limited surety business.

Receivership Highlights for Fiscal Year 2010

- ◆ *The Receivership Division commenced the receivership of Astraea Risk Retention Group, Inc. and Thureus Insurance Group, Inc. The bar date for the filing of proofs of claim is November 30, 2010.*
- ◆ *The proof of claim process in the Transurance Risk Retention Group receivership commenced during the fiscal year and it is anticipated that the substantial majority, if not all, of the claims will be resolved prior to year end 2010.*

CAPTIVE INSURANCE DIVISION

PUBLIC INFORMATION RESOURCES

Internet Resources

www.azinsurance.gov

The Department's website was updated with a new look and layout. It is a primary means for the public and industry to obtain information about the Department's activities, reports, publications, new laws, etc.

An important service on our website allows visitors to "look up" any insurance company, producer and other licensees, to verify licensure and obtain basic financial and licensing data. The *Look Up* feature enhances the public's access to information about licensed insurance companies operating in Arizona. Before an insurance consumer opts to do business with a particular agent or insurance company, they can verify on-line that they are licensed by the Department of Insurance. In addition, they can now view complaint data for insurers.

The Department has several new sections on its website this year, including a page that explains how to obtain public records, and a page entitled "Regulatory Activity" which allows visitors ready access to our hearing calendar and a weekly list of all agency enforcement actions. We have also added a Public Meeting Notice page, as well as information relating to the new federal health care reform laws. The ADOI continues to post all of its Regulatory Bulletins, including its annual summary of insurance related legislation.

The Department still offers free email subscriptions to various mailing lists. Subscribers can receive immediate copies of Department Press Releases, Regulatory Bulletins and occasional news articles by email. This service allows us to communicate directly and promptly with our constituents.

Consumer Resources

The Department's new website layout still categorizes information by visitor and by type of insurance, but we've added a section entitled "I Want Information about..." to help visitors navigate according to their questions. We continually add links to various external and internal resources, including a myriad of publications. We have educational literature on a wide range of insurance topics, such as auto and homeowner premium comparisons and complaint ratios, guides to health insurance and the Health Care Appeals process, and title insurance resources.

Anyone wishing to file a complaint with the Department can print our complaint form (in English or Spanish) and then fax, mail, email or bring it to the Department. There is also a special email address visitors can use to submit questions or request literature.

Insurer and Producer Resources

The Department's website offers current and prospective insurance professionals fast service, 24 hours a day, 7 days a week. Dozens of official Department forms and instructions for financial filings, and rate and form filings are posted, including all the Arizona "review standards checklists" and transmittal documents

necessary for making complete form filings. In addition, surveys and other reporting forms are available on-line for quicker access and completion. And, the ADOI accepts tax reports and tax payments electronically from insurance companies through the **OPTins** system.

There is an extensive page dedicated to producer licensing which contains license applications, forms, an up-to-date fee schedule, a summary of law changes, and "frequently asked questions". There is also continuing education information, including forms, approved courses and course providers.

Insurance producers will find the page dedicated to them is continually updated and expanded. **iPlus** is an on-line service that allows eligible resident and non-resident insurance professionals to quickly renew licenses, and update their address and telephone information: iplus.azinsurance.gov.

Consumer Publications

The Department publishes numerous pieces of consumer literature which are available on the Department's website at www.azinsurance.gov or by calling or visiting the Department. In addition, the Department distributes several key insurance-related publications from other federal and state regulatory agencies which can be obtained by calling (602) 364-2499 or (800) 325-2548.
