Custom Field Legend	
[A]	57.6 in June 2018
[B]	61.0 in June 2018; the results of this measure are largely outside the agency's control; the agency is gathering data to determine ways to influence results; targets illustrate only
[C]	JOP represents FY 2018 cumulative performance; YTD represents average of cumulative results, which is not overly meaningful.
[D]	New measurement starting in FY 2019
